

Field Officer User Guide

Official operating guide - Local Self Government Department, Kerala

1. Daily overview

Use your dashboard to identify data-entry and synchronisation work assigned to your panchayat.

2. Registry

Add and correct establishment information only from authorised records. Confirm ward number, owner details and category before saving.

3. Map review

Use the GIS map to check the placement of establishments. Escalate uncertain boundary issues to the Secretary.

4. K-SMART sync

Import only official exports. Review the import summary and resolve failed records before reporting completion.

5. Security

Choose Field Officer at sign-in. Your account cannot access secretary approvals or administration controls.

Important

Use only your assigned role and dashboard. Contact the Panchayat Secretary for access or data issues.
