

Panchayat Secretary User Guide

Official operating guide - Local Self Government Department, Kerala

1. Daily overview

Open the Dashboard to review compliance, expiring licences, pending field reports and recent actions.

2. Verify reports

Open Reports and review Ward Member submissions. Confirm the licence status, request inspection, or close duplicates.

3. Manage registry

Use the Establishment Registry to review records and licence information. Keep every decision traceable.

4. Reports

Generate the executive compliance report for committee review. Check the active panchayat before exporting.

5. Security

Choose the Secretary role at sign-in. Never share credentials; use Sign out when leaving a shared device.

Important

Use only your assigned role and dashboard. Contact the Panchayat Secretary for access or data issues.
