

Ward Member User Guide

Official operating guide - Local Self Government Department, Kerala

1. Start work

Choose Ward Member at sign-in and confirm that your assigned ward is correct before submitting any record.

2. Field survey

Use Field Survey to record a new observation. Enter the establishment, proprietor, category, ward and clear inspection remarks.

3. Location and photo

Capture GPS and a clear onsite photograph when available. Do not upload unrelated images or personal documents.

4. Submit

Review every field before sending. If connectivity is unavailable, save a draft and synchronise it when you are online.

5. Follow-up

The Secretary verifies submitted reports. Correct or resubmit a report only when requested through the official workflow.

Important

Use only your assigned role and dashboard. Contact the Panchayat Secretary for access or data issues.
